Foreword

Into a yearbook which is to be an accurate account of the past year must go two full semesters of hard work and countless over-time hours. The compilation of an accurate and enjoyable annual depends upon one hundred per cent co-operation and output from all members of the yearbook staff. Only when this degree of harmony is attained can a staff, with the help and direction of its adviser, produce a yearbook which captures and retains the essence of the bygone year, preserving it to give the past year to the student now in June and whenever after he may open his book.

And nowhere could we have received more co-operation and better guidance than from our professional photographers, Mr. Procopio Calado and Mr. Ernie Umemoto and our dedicated adviser, Mr. Dan Fukushima.

It only remains for us to hope that we have best utilized the aid and time of all involved—to hope that within these two covers we have given the year of 1968 back to you, the students of James Lick High School.

CHERYL CEMENTINA
Editor-in-Chief

Dedication

Mr. Don Kloes joined the Lick faculty in January, 1951, to qualify as a member of the original staff. Prior to his matriculation at Stanford University he served with the Alamo Scouts, a brigade attached to the U.S. Seventh Army during the Philippines Campaign in World War II.

With a degree in history and with his teaching credentials in hand, Mr. Kloes began his career as a social studies instructor. He was a counselor and B football coach for four years, and has served as sophomore class adviser for an even dozen years. He is chairman of the social studies department, and has written a history textbook, *California: Land of Contrasts*. It was in 1966 that he was designated "Teacher of the Year," and is currently serving as president of the East Side Teachers' Association.

In recognition of his many contributions to James Lick High School, the staff dedicates the 1968 Argus to Mr. Don Kloes.

Much of what James Lick is today we owe to Mr. George House, principal. Over the years he served James Lick as a classroom teacher, coach, vice-principal, and has been principal for the past six years.

Under his aegis James Lick has come to be regarded as the best school in the district and among the top schools in the valley.

Thanks, Mr. House, from all of us who are proud to call James Lick "Our School."

We, the Class of 1968—
. . . had a prize-winning float

Unlike any other freshmen, the Class of 1968 got off to a sure start, without wasting any time at all. Our first act as a class was electing Gary Rose as fall semester president. Under Gary's capable leadership we acquainted ourselves with the demands placed on an active Comet. Our first victory was the annual candy sale in which we netted $434.75—more than twice as much as the second place class. Freshmen once again showed their enthusiasm with the construction of a first place homecoming float. No doubt the overall effect of the float was enhanced by the original theme: "Baby the Lions!"

The election of President Bill Zavlaris in our second semester marked the beginning of various activities. The first of these was "Midsummer Night's Dream," our frosh-soph hop. The classes of '68 and '69 joined forces to present the class gift—the billboard at the corner which will long serve as a reminder of our class.

Our first day at Lick

. . . Tournament time

We ran for office

Looking down upon freshmen and gazing in awe at the upperclassmen, we continued to be strong leaders. Bill Zavlaris was re-elected to lead our class for the first semester of our sophomore term. We placed second in the candy sale, and with the theme: "Flip the Lions," once again emerged victorious in the float competition.

Our second semester president, Bill Sullivan, officially began his term with preparations for the frosh-soph dance, "Spring Fling." As the year ended, we sophomores could look back on many scholars making the honor rolls, many sophs bolstering our frosh-soph and varsity teams, and a good number of us participating in various activities.

It was no surprise to us that we were second only to the mighty seniors in the race for the spirit trophy. We bid a happy farewell to lower division days on the Comet campus, ready to take our place as upperclassmen.

. . . elected our leaders

With the tag upperclassmen, we proved ourselves able leaders. Bill Zavlaris, the runningest and winningest politician in the class, was again called upon to lead the class for both semesters.

The Class of 1968 once again displayed its ingenuity by nabbing first place honors for the Homecoming float, "Trick the Trojans." The victory brightened prospects for a clean sweep—four winning floats.

"Avril a Paris" was the theme for our junior prom. The motif lent itself to the magical transformation of the gym into a Parisian sidewalk cafe.

The Nominations Convention of 1967 was one in which we played a major role. It was our turn to lead the school. We spent long hours painting posters, preparing demonstrations, and passing out campaign cards, as the year came to an end, we anxiously awaited our final year at Lick.

Our Leader

Carnival Day Tug 'o' War

. . . revived senior traditions

If it is the senior year for which a class is remembered, the graduating class of 1968 will have a lasting effect on James Lick history. Under the leadership of Ed Acosta, we began to bring back the senior traditions which were rapidly disappearing. The Senior Bench which the school will long remember was our senior project.

We also cleared the long-abused Senior Glen of all underclassmen. And we had our share of senior breakfasts

Signs of the end of school were becoming apparent. The Nominations Convention, Carnival Day, Senior Picnic, Senior Ball, final exams—all flashed in review. We started preparations for Commencement.

Before we knew it, our senior year was all over. With mixed emotions we contemplated our future.

Argus Reviews Football

This year's varsity competed in the Mt. Hamilton Athletic League comprised of the seven East Side schools—Ayer, Oak Grove, Hill, Overfelt, Mt. Pleasant, Piedmont Hills, and James Lick. The Comets compiled a 7-2 overall season mark and a 5-1 league record to take second place in the MHAL behind champion Ayer.

Comets kicked off the 1967 season by corraling the Gilroy Mustangs, 37-0. The Lick rushing game was as powerful as its air attack with Noe Chavez giving an impressive display of pass catching. The defense was especially rugged as it limited the Mustangs to 88 yards.

Lick then traveled to Washington to face a tough Huskie squad which went on to win its own league title. Comets pulled out a 13-6 triumph on the pass receiving of junior Dave Pike who gained 220 yards on passes from Mike Cancilla and Henry Lopez.

Oak Grove fell to the Comets, 63-6, as Mall Alexander tallied four touchdowns.

In the game that determined the championship, James Lick lost to Ayer, 19-6. Despite the valiant defensive efforts of Mike and Steve Hufft, and the offensive heroics of Frank Bistolfo, the Comets succumbed to a strong Trojan team. Lone Comet TD came on a tackle-eligible pass from Lopez to Jay Corey.

In non-league contest the Comets were downed by powerful

Lick got back on the winning track by defeating Hill, 27-13. Pike led the scoring with three touchdowns.

In a hard fought contest the Comets took a 14-6 decision over Piedmont Hills. After trailing the Pirates by 6-0 in the fourth period, Dave Pike took a short Cancilla pass and streaked 83 yards on a brilliant TD run. Jim Thompson kicked the all-important PAT. Bistolfo scored the other touchdown in the closing seconds of the game on a 49 yard romp.

Hosting Mt. Pleasant, the Comets carved out a 36-14 triumph. Bistolfo gained a phenomenal 226 yards rushing, and Jeff McConnell was the defensive star.

With second place at stake, James Lick rocked Overfelt, 20-0, in what was considered the Comets' finest all-around effort of the season. The Lick defense paced by Noe Chavez and Steve Cutright never allowed the Royals within the Comet 18 yard line. Jon Patterson had his best-ever day carrying the ball, Pike scored on a 41 yard pass-run, Chavez tallied on a 71 yard punt return, and Bistolfo capped the scoring with an 8 yard drive.

At the conclusion of the season six Comet gridders were named to the all-league team.

Frosh- Soph Football

The 1967 frosh-soph football team enjoyed a successful league season with 4 wins, 1 loss and 1 tie. The Comets took a strong second in the MHAL title race, missing a playoff for the championship by only a half a game. With three teams tied for first place with identical 4-1 records, Lick tied Overfelt in the season finale to drop down to second place. Piedmont lost its finale, leaving Ayer atop the loop standings.

The high point in the season came in the 8-0 victory over previously unbeaten Piedmont Hills.

The frosh-soph squad was led by all-league performers Vernon Stamps, Bob West, Craig Corey, Al Nanez, and Steve Mattos. This year's frosh-soph performance gives a bright outlook for future varsity squads.

TEAM CAPTAINS: Bob West, Al Nanez, and Craig Corey.

With only two seniors on the varsity, the Lick squad captured third place in the league, finishing behind strong Mt. Pleasant and Overfelt teams. The frosh-sophs also placed third. Comet leatherlungers were led by senior co-captains Richard West and Oscar Terrazas, and by junior Mike Garcia. With freshman Jim Sena and soph Jerry Glass doing well and gaining valuable experience, on the varsity, Coach Antes has high expectations for them next year.

Soccer

This year the varsity fielded an extremely young squad, and did not dominate the district as it customarily did in the past three seasons. Due to a general lack of depth, the squad did not live up to expectations, but they did win two games out of five and were in contention in all but one game.

The varsity was led by junior Frank Bistolfo who was named to the ALL-MHAL first team. Next year Coach Rene Marfull will miss the services of seniors Ignacio Quijada, Gary Nankivell, Jim Ridola, Robert Greenhalgh, Bill Snyder and Gary Wilson, Coach Marfull can look forward to better days next season with the development of Dave Garcia, Don Thompson, Ken Landice, Lupe Falcon, Rosendo Avila, and Jim Rocha.

Varsity Water Polo

In his first year as varsity water polo coach at James Lick, Coach Al Goodwin guided the Comets to a 4-1 league record and an 11-7 overall mark.

With but three lettermen back from last year's championship team, the Lick aquamen took second in the MHAL. The only loop defeat came at the hands of league champion Ayer by a 9-7 count. Lick defeated the Trojans 6-2 in the post season Northern California Tournament.

Lick was led by senior Tim Otto whose team leadership and inspired play earned for him the league's Most Valuable Player Award. Bill Brown was a standout on defense all season. With Pete Col, Fred Warf and Bob Pinkham returning next year, Lick can look forward to a banner season.

Frosh-Soph Water Polo

Co-Captain Scott Riechers and Brian Bronk led the Frosh-Soph splashers to a 4-1 record, good for a runner up spot in the Mt. Hamilton League.

Coach Fred Harris recounts triumphs over Lincoln, 10-9 sudden death; and Ayer, 19-17 overtime, as season highlights. Both contests were real cliffhangers.

Fresh-Sophs gaining all-MHAL recognition were Bob Bariteau, all-league first team, and Brian Bronk, Art Budros, and Scott Riechers, second team selectees.

A really tough pre-season schedule helped prepare the Comet Frosh-Sophs for MHAL action, according to coach Harris.

Varsity Basketball

Comets opened their campaign with a win over Sunnyvale as junior Dennis Wilhelm tallied 18 points in his initial varsity game, and Jay Corey, 6-5, 227 lbs., indicated he would shatter all rebound marks in the area.

Chris Moulton's shooting in the opening round of the Lick Invitational, and Corey's rebounding put the Comets into the semi finals, Corey had 28 recoveries and amassed a total of 57 in three games to establish a tournament record. Moulton, Lopez and Corey were selected on the all-tourney team with Corey garnering Most Valuable Player honors. The Comets lost to Bellarmine in the finals.

Henry Lopez, Mike Digini and Carlos Gonzalez hustled Lick to the consolation crown in the Awalt Holiday tournament, and again it was Corey and Moulton who were named to the all-tournament team. Eddie Reyes and Carlos Gonzalez sparked Lick to a 73-63 overtime win against Mt. View when Corey fouled out in regulation time.

Lick had but one loss and was in title contention in the MHL when Corey sustained a leg injury that benched him for the balance of the season. Gary Rose stepped in to do a fine job filling in at center in the Hill and Piedmont games. Moulton came through with his season high of 34 points in an overtime fray against the champions from Piedmont, and went on to tally 87 points in the next three games. Lopez had high games of 22 and 25 points against Overfelt and Hill.

Corey who scored 17.9 points per game and wound up a four-year varsity career, was the premier rebounder in the area with a 20.3 recovery average. He was named to the Santa Clara Valley All-Star team, and at press time was a candidate for the Northern Calif. West All-Star squad.

Moulton averaged 18.7 points and was named Most Valuable Player in the MHAL. He was also one of six players to be selected on the Sportswriters and Broadcasters' All-Santa Clara Valley team.

The story of the 1967-68 Comets who finished in third place would not be complete without some mention of Bob Rice, 6-5, 195 pound senior who was unable to play because of a leg fracture. One of the top scholars in the school, Rice attended practice sessions, made trips with the squad, and sat on the team bench and served as an inspiration to the team. He was named honorary captain. Season captains were Jay Corey and Mike Digini.

Lick loses two regulars via graduation, but with Moulton, Lopez and Wilhelm back for another season plus promising newcomers, the Comets will be among the top favorites for area honors next year.

Frosh-Soph Basketball

Starting slowly, the Frosh-sophs gradually gained momentum, and by the season's end the Comets, like their namesake, literally streaked through the opposition winning their last six games in a blazing finish. When the smoke of battle cleared, the Li'l Comets were in second place, just one game off the title pace. A highlight of the series was a soul-satisfying overtime victory over the hitherto unbeaten Piedmont Pirates.

Anthony Ramos led the league in scoring and was virtually the entire offensive punch for the Comets in the early season until the dramatic improvement of Mike Sullivan which gave the squad an effective one-two punch. Glen Anderson and hustling Ed Avalos alternated at guard. John Russell and Ron Wilkens saw action at forward. It was Wilkens who came through with a clutch basket and free throw to ensure the overtime win over Piedmont. Dave Pluto, 6-4 freshman rounded into form in mid season to handle the starting chores at center.

Wrestling

The varsity wrestling team placed fourth in league dual meet competition with an even 3-3 season record. In the league tournament finals, Comet grapplers walked off with nine medals.

John Grijalva led the varsity. He wrestled at 95 pounds. In addition to establishing an undefeated dual meet record, Grijalva nabbed championships in the Ayer and Westmont wrestling tournaments. He won his second straight MHAL title and went on to the Central Coast Section tournament where, because of injury sustained earlier in the season, he was forced to forfeit in the finals.

Paul Garcia, with an unblemished dual meet record, was another team standout at 115 pounds. The junior matman took both the Gonzales Tournament and MHAL championships.

Other fine performances were turned in by Mike Cancilla at 145 pounds who placed second in the league and fourth in the Sectionals; Rick Cortese at 154 pounds who captured the Overfelt Tournament championship; and Al Nanez who took first in the Westmont Tourney, second in the league finals, and third in the Gonzales Tournament.

Frosh-Soph wrestlers were led by MHAL Champions Bob West, 191 lbs., and Tom Gonzales, 115 lbs. West and Gonzales both compiled undefeated league records.

Swimming

The James Lick varsity swim team in its first year under coach Al Goodwin, opened its 1968 league season with a convincing victory of the Ayer Trojans, but sustained losses to powerful Santa Clara, Lynbrook and Bellarmine in non-league action.

Comets are trying for their ninth consecutive league crown with the stiffest competition coming from the Andrew Hill mermen.

Leading the Comets are returning lettermen Jay Corey, Tim Otto, and Bob Pinkham, with sophomore Craig Corey and freshman Art Budros coming through with outstanding early season clockings. Adding depth to the Lick contingent are frosh-soph butterfly champion Bob Barnick, James Black and Peter Col from last year's frosh-soph team.

In early competition, Bob Pinkham, a sophomore, set a new school mark in the 200 yd. individual medley, while senior Tim Otto erased Olympian Gary Ilman's 400 yd. free style record.

The frosh-soph squad with the loss of three key men to the varsity ranks, dropped the openener to Ayer. Mainstays are Brian Bronk, Terry Brown, David Hoffman and Mike Marlowe.

The defending MHAL co-champions are in excellent position to nab the title outright this year. Comets have shown consistent strength in its wins over Ayer, Overfelt, and STAL representative, Willow Glen. The only team standing in the way of Antes' aggregation is Mt. Pleasant.

Leading the list of fine Comet performers is Dave Pike who holds marks of 9.8 in the 100, and 22.5 in the 220 yd. dash. A junior, Pike is one of the outstanding athletes in the valley.

Gary Sires is ranked as one of the top hurdlers in the area. He has times of 15.5 in the 120 HH, and 20.2 in the 180 LH. Rich West runs the 440 and mile relay, and has an early season 1:58.7 in the 880. The crack mile relay team of Moulton, Sires, West and Stamps has a 3:30.5 clocking. The 440 relay team has a 44.2 time.

Comets are equally strong in the field events with Noe Chavez who can better 13 feet in the vault. Chris Moulton who has sailed 44' 7" in the triple jump, and Bill Pabst who has hit 49 feet in the shot put. Pike has an early BJ mark of 21' 5".

In its initial season, the newly-formed Frosh-Soph track team has started out slowly, losing its first three meets. However, despite the apparently poor early season showings, the team has recorded consistantly improving marks.

Top marks have been carded by quartermiler Greg Bledsoe, halfmiler George Costa, and shot putter Bob West. Roland Grantham has also improved his marks in successive meets.

Varsity Golf

Comet golfers have the best record in the area. Lick is gunning for its twelfth championship in eighteen years. The Comets have never placed lower than runner-up in the history of the school. Lick can also claim at least nine ex-Comets who have played professional golf.

In early matches, Lick lost to top-rated Bellarmine and defeated powerhouse Willow Glen. Since these early season matches were slated to be the toughest of the year. Comet chances for another title seem excellent.

Coach Chon Gallegos was confident in his assessment of the coming season. "It looks good," he declared. "We have some fine golfers even though we were hit by graduation."

1967-1968
Girls' Athletic Association

Fun Night represented a great start for GAA activities. The annual get-acquainted program was supervised by GAA advisers Miss Adams, Miss Hewson, and Mrs. Nelson. This year's group numbered 150 girls.

Sports offered in the GAA program included hockey, swimming, softball, volleyball, basketball, synchronized swimming, tennis, badminton and track. With the exception of synchronized swimming, interscholastic competition was provided in all sports. A new addition to the activity program was rhythmic gymnastics.

The girls enjoyed a successful season in all the activities. They were eminently successful in team sports, and the swim squad continued to dominate the district.

The highlight of the spring semester was the water ballet show, "Going Places." The theme depicted primitive times through the years to the space age of tomorrow.

A steak barbecue and awards presentation program climaxed an eventful year for the girls.

Steve Hartsell, veteran scribe, took over the reins of the Observer in September and guided the publication to a best-ever year. He handled the Observer in the great tradition of former Observer chiefs. His column, Th' Ink Blotter, discussed in its inimitable fashion the myriad problems of our society.

Feature Editor Francine Huppe gave her page a new look and effectively publicized the accomplishments of Lick students.

A popular regular feature, Inquiring Around was handled by Campus Editor Jakki Kimmet. The column gave students an opportunity to air their views. Jakki also doubled as business manager.

Tim Otto, sports editor, did a fine job in chronicling the exploits of the great and near great in Comet sports. Otto takes his place as one of the best in a long line of fine sports editors. His staff included Bill Sullivan, a knowledgeable sportshand, Barry Tesar, and Steve Adams.

Kathy Higashi, Steve D'Arcy and Spencer Davis all contributed their talents toward another great Observer year.

1967-68 Band Highlights

Under the baton of Joe Carbajal, drum major, the Comet marching band inaugurated an eventful year by nabbing a first place in the San Francisco Veterans' Day Parade, and then repeated with another first place in the San Jose Parade.

Mr. William Bolerjack's musicians concluded a successful series of presentations throughout the football season and followed through during the basketball schedule. They participated in the annual East-West Shrine Football Game at Candlestick Park.

The Lick marching band also took part in the annual Pop Warner Toys for Tots football game. On the band calendar for the year were the St. Patrick's Day Parade in San Francisco, and the annual Pops Concert.

An active and successful year for band? You bet it was!

Honored with responsibility of representing the United States in Security Council, committee, and General Assembly meetings James Lick's Model U. N. delegation attended the 16th annual Model U. N. convention at UC Berkeley.

At the convention, the Lick delegates were confronted by such topics as the Pueblo crisis, the war in Vietnam, nuclear disarmament, and racial discrimination.

Members of Lick's MUN delegation were: Marcia Briggs, Linda Brown, Cheryl Cementina, John Connolly, Marty Col, Sandy Deller, Karen Hall, Norma Hammes, Steve Hartsell, and Bill Zavlaris. The group's advisors are Mr. Michael Hillas and Mr. Glenn Duus.

In addition to attending the Berkeley convocation, Lick MUN-ers participated in the Model U. N. convention held at Overfelt high school in May.
